A Bicycle Poker Run is a day of fun for all riders regardless of skill level and suitable for all ages.

Cyclist travel from the starting point to four card-stops on the rail-trail where they pick up one playing card. The player with the best poker hand at the finish wins.

Cyclist can chose any route to get to the card-stops, because this is not a race. The cyclist with the best hand wins, so bike safely and enjoy the rail-trail.

Rules

All participants will meet at 2:00 p.m., Sunday, September, 28th at Marilla Park.

Each registered player will be given a Poker Run Tally Card on which they must print their name.

The Tally Card is proof of registration and must not be lost.

After receiving their Tally Card each player will be given the location of the first card-stop.

At each card-stop the participant will draw a single card from the playing card deck held by the "Dealer".

The player must keep their playing cards until the end of the Poker Run. Cards may not be exchanged with other participants.

The drawn card will be shown to the "Dealer" who will then mark the participant's Poker Run Tally Card to indicate which card was selected.

IMPORTANT: Check that the card drawn matches what was marked on the Tally Card.

If at the end of the Poker Run your Tally Card does not match your poker hand you will be disqualified.

The Dealer will direct you to the next card-stop.

Whoever finishes the Poker Run with the best poker hand is the winner.

In the case of a tie, winner will be decided with the highest cut of a deck. Ace counts as highest card.

Poker hands high to low:

Five of a Kind: All five cards of the same index (Ex: J, J, J, J, J).
